# AAPI Veterans

*Our history's future is in your hands.*

FRIDAY MAY 19 &  
SATURDAY, MAY 20

10 a.m. - 5:30 p.m.

Santa Monica Public Library  
601 Santa Monica Blvd.

The Library of Congress Veterans History Project is celebrating Asian-American & Pacific Islander (AAPI) Heritage Month by collecting stories of AAPI veterans so that future generations can learn from their selfless service.

You can leave a lasting legacy by giving an oral history, which will become part of the permanent collections of the Library of Congress and be made available to researchers worldwide.

There is no cost to participate, and all veterans who tell their story will receive a copy to share with their family and friends. AAPI veterans are especially encouraged to participate, however the event is open to all US vets regardless of race or ethnicity.
